

1. In this article the patient has dental education, so she was not anxious about the end results.
  - a. True
  - b. False
2. The patient had her teeth restored 19 years earlier, with excellent results.
  - a. True
  - b. False
3. The dentist and patient each agreed that it was best to re-do the upper arch with all new restorations rather than to try to correct arch form and match the old shade.
  - a. True
  - b. False
4. The patient had become aware of some anterior shifting, possibly associated with her bruxism and subsequent appliances to improve that situation.
  - a. True
  - b. False
5. The author states that he began with taking diagnostic study models, the recommended ten photos through the AACD protocol, a complete x-ray series and a periodontal exam.
  - a. True
  - b. False
6. Other than wanting a lighter, brighter shade, the patient only noticed some slight localized recession.
  - a. True
  - b. False
7. An orthodontic consult revealed that tooth movement was an option due to a tight arch form.
  - a. True
  - b. False
8. Preoperatively, during the custom shading appointment, Kahng had photographed the patient's current restorations in order to pinpoint her concerns. As seen in figure 1, number 8 was cracking and there had been some composite patching placed at various times.
  - a. True
  - b. False
9. The diagnostic wax-up is the first response of the labs understanding of the case. It is up to the dentist to bring impressions to life.
  - a. True
  - b. False
10. Custom temporaries bring the lab into the patient/doctor relationship and the patient actually begins to trust the lab and participate in the process.
  - a. True
  - b. False

Passing quiz grades are worth ½ point documented scientific credit. To earn CDT credit, once the quiz is completed, send it to the NADL at the address or fax number below or submit this quiz online at [www.nadl.org/quizzes](http://www.nadl.org/quizzes). To earn an additional ½ point professional development credit, visit [www.nbccert.org](http://www.nbccert.org) to submit your time for reading the accompanying article(s) in the professional development log. Quiz credits will appear on the NBC CDT Online Education Tracking System at [www.nbccert.org](http://www.nbccert.org), which is updated weekly. To earn State of Florida credits, visit [www.cebroke.com](http://www.cebroke.com), log into your account and report this quiz using the CE Broker number at the top of this quiz. This quiz is provided to test the technician's comprehension of the article's content, and does not necessarily serve as an endorsement of the content by NADL or NBC.
