

1. It is widely understood by the dental laboratory, as well as our clinician customers, that many edentulous patients desire a reliable, comfortable, esthetic, full-arch denture that is fixed rather than removable.
 - a. True
 - b. False
2. This case is about a 55-year-old female patient presented with a chief complaint of not being able to wear her new lower denture that was fabricated 9 months ago.
 - a. True
 - b. False
3. The patient has had no prior experience with dentures.
 - a. True
 - b. False
4. After discussing the case with the restorative doctor and oral surgeon, we all agreed that a fixed solution would be the best restorative option.
 - a. True
 - b. False
5. A conventional immediate load protocol with screw retained provisional and a fixed hybrid with a milled titanium frame as the definitive restoration was not an option.
 - a. True
 - b. False
6. The newly introduced LOCATOR F-Tx fixed attachment system appeared to be a good alternative for this patient.
 - a. True
 - b. False
7. In preparation for surgery, measurements were taken to ensure enough inter-occlusal space for the LOCATOR F-Tx Abutments and Denture Attachment Housings.
 - a. True
 - b. False
8. After the measurement evaluation, it was determined that a 4-5mm bone reduction would be necessary prior to placing the dental implants.
 - a. True
 - b. False
9. In conclusion, with this system, the process of converting the dentures to the fixed provisional took more chair time than a conventional full-arch immediate load protocol.
 - a. True
 - b. False
10. Tooth fractures are common on a conventional hybrid, and can take 30-60 minutes to remove and place back in the mouth. The time to remove a LOCATOR F-TX is about the same.
 - a. True
 - b. False

Passing quiz grades are worth ½ point documented scientific credit. To earn CDT credit, once the quiz is completed, send it to the NADL at the address or fax number below or submit this quiz online at www.nadl.org/quizzes. To earn an additional ½ point professional development credit, visit www.nbccert.org to submit your time for reading the accompanying article(s) in the professional development log. Quiz credits will appear on the NBC CDT Online Education Tracking System at www.nbccert.org, which is updated weekly. To earn State of Florida credits, visit www.cebroke.com, log into your account and report this quiz using the CE Broker number at the top of this quiz. This quiz is provided to test the technician's comprehension of the article's content, and does not necessarily serve as an endorsement of the content by NADL or NBC.
