

1. In figure one, the axis of the teeth and principles of smile design have been violated.
 - a. True
 - b. False
2. In figure one, the contact between 6 and 7 and the lingual anatomy was lacking.
 - a. True
 - b. False
3. The author tells us that no initial cutbacks or axis adjustments needed to be fixed.
 - a. True
 - b. False
4. The author tells us that seven open contacts were marked on the solid model (Fig. 3).
 - a. True
 - b. False
5. The author states that he documented the errors in photos and sent them to all technicians who had previously handled the case for their review.
 - a. True
 - b. False
6. In figure 4, the author fired a corrective porcelain bake prior to staining and marked those corrections with red pencil to document how the shape and contacts should have been modeled in the wax process.
 - a. True
 - b. False
7. Making these corrections in the porcelain build-up phase took four hours of production time: time that also served to educate the team, in order to prevent the same mistake in the future.
 - a. True
 - b. False
8. The author states that this time making corrections was an investment, however, rather than time lost.
 - a. True
 - b. False
9. The doctor finalized cementation of 9 and 10, with a full cure under the light. (Figure 15). The doctor then performed the same procedures for 6 and 7, seating to completion all pairs, two at a time in the maxilla (Fig. 15-16).
 - a. True
 - b. False
10. Figure 20 shows the patient's smile, post operation, after another successful seating appointment with the doctor.
 - a. True
 - b. False

Passing quiz grades are worth ½ point documented scientific credit. To earn CDT credit, once the quiz is completed, send it to the NADL at the address or fax number below or submit this quiz online at www.nadl.org/quizzes. To earn an additional ½ point professional development credit, visit www.nbccert.org to submit your time for reading the accompanying article(s) in the professional development log. Quiz credits will appear on the NBC CDT Online Education Tracking System at www.nbccert.org, which is updated weekly. To earn State of Florida credits, visit www.cebroke.com, log into your account and report this quiz using the CE Broker number at the top of this quiz. This quiz is provided to test the technician's comprehension of the article's content, and does not necessarily serve as an endorsement of the content by NADL or NBC.
