1. This article is about a 25-year-old patient with a chipped front tooth.
   a. True
   b. False

2. The treatment would be extensive re-preparation of the tooth.
   a. True
   b. False

3. Anterior single-tooth restorations can place high demands on the terms of treatment skills and dental materials.
   a. True
   b. False

4. The challenge involved in adapting the tooth as precisely as possible to the adjacent teeth requires a highly rational procedure, a high level of craftsmanship, and excellent materials.
   a. True
   b. False

5. Light, shade, shape, and the three-dimensional appearance do not have to be imitated in a natural way.
   a. True
   b. False

6. In the interest of greater efficiency, elaborate and complex layering of a large number of ceramic masses should be avoided, but the framework material does not need to be the same shade as the teeth.
   a. True
   b. False

7. PowerFire is a special firing program that precedes the first firing of the ceramic veneer and further increases the bending strength of the Celtra Press restoration.
   a. True
   b. False

8. With Celtra Ceram, as 25 VITA A to E shades are available for the veneer.
   a. True
   b. False

9. Celtra Ceram had shrinkage but the goal was still achieved after hard work.
   a. True
   b. False

10. The “anterior single crown challenge” was mastered perfectly without a complex ceramic build-up.
    a. True
    b. False

Passing quiz grades are worth ½ point documented scientific credit. To earn CDT credit, once the quiz is completed, send it to the NADL at the address or fax number below or submit this quiz online at https://nadl.org/members/JDT/quizzes/. To earn an additional ½ point professional development credit, visit www.nbccert.org to submit your time for reading the accompanying article(s) in the professional development log. Quiz credits will appear on the NBC CDT Online Education Tracking System at www.nbccert.org, which is updated weekly. To earn State of Florida credits, visit www.cebroker.com, log into your account and report this quiz using the CE Broker number at the top of this quiz. This quiz is provided to test the technician’s comprehension of the article’s content, and does not necessarily serve as an endorsement of the content by NADL or NBC.
